## **GPwSI MSK/SEM Opportunity**

We would like to recruit a GPwSI MSK or SEM into our forward thinking and innovative Practice. We are currently part of a successful MSK service but would like to further develop a robust, expanded PCN service as part of an MDT team.

### **Our Offer**

- A mix of GP and MSK sessions (4-8 sessions available)
- Attractive rates of pay
- Credit based pay structure facilitating and rewarding career progression
- Support for doctors wanting to pursue additional qualifications
- 7 weeks annual leave (including 1 week's study leave)
- Weekly protected time for regular in-house learning
- Monthly PLT session for Continuous Professional Development
- Mentoring scheme for all Salaried GPs by GP Partners
- Opportunities for undergraduate and postgraduate teaching, training and research

### **Our Practice**

- A happy and thriving PMS Practice with over 12,900 patients
- Purpose built Surgery at Canalside Health Care Centre with a branch surgery.
- Training Practice for GP Registrars, FY2, Medical Students, Student Nurses and Physician Associates. We also host an innovative GP registrar MSK training post.
- Part of the Bingley Bubble Primary Care Network together with practices from Baildon and Wilsden.
- Wide range of Tier 2 services including:
  - Dermatology, Minor Surgery, MSK, Sexual Health and Diabetes

### **Applications**

We would welcome any prospective candidates wishing to visit our Practice.
