## **FSEM/PCRMM MSK DIPLOMA - RESULTS**

Due to an unforeseen delay in the quality assurance process for the Diploma in Musculoskeletal Medicine examination, we have had to take the difficult decision to delay the release of the results from the June 2021 examination diet. It is anticipated that the results will now be issued on Wednesday 4<sup>th</sup> August at 12 noon.

We sincerely apologise for this delay in notifying candidates of their results; however, this is necessary to ensure that all appropriate checks have been completed prior to issue.

Kind regards
