

An opportunity has arisen to join our MSK team in the position of MSK Practitioner

Our MSK Practitioner roles are based in GP practices in the Airedale Wharfedale and Craven area.

The role will also include carrying out clinics within our MSK service and participating in our shared decision making service for patients considering surgical intervention.

We are actively looking to recruit practitioners across a range of backgrounds including Sports and Exercise (SEM) consultants, GPs with specialist interest/GPwER and Extended Spectrum Physiotherapists.

This is a salaried position employed by I G Medical practice for their sessions
