MSK Diploma Revision Course

*3-day course aimed at those preparing to sit
the FSEM Diploma in Musculoskeletal
Medicine.*

The MSK Diploma Revision Course is aimed specifically at those preparing to sit the FSEM Diploma in Musculoskeletal Medicine and as such will be based around the diploma syllabus.

Learning will comprise of:

- Online study day 1
- Online study day 2
- Online study day 3
- Additional resources
- Sample MCQs

Each study day features carefully curated content designed to support your learning throughout the course. All presentations are recorded and made available in the Learning Hub, alongside additional resources and materials relevant to the diploma.

In total, the Learning Hub offers more than 12 hours of expert-led presentations for the 2026 study course, allowing you to revisit key topics at your own pace. To explore the daily topics in more detail, please refer to the course timetable and discover more about the MSK Diploma Revision Course.

“As a specialist MSK Physiotherapist, preparing for the MSK Diploma, I would recommend this course as thought-provoking, and informative.”

Rhodri Parfitt
